Pilot Club of Oconee County July, 2023

Volume 44 Number 1

Greetings Pilots!

The privilege of serving as President of the Pilot Club of Oconee County is an awesome responsibility and a personal charge to provide the leadership necessary to accomplish our mission.

My vision for our club this 2023-2024 year is that we all dream BIG, that we learn more to share more and that we serve others with Pilot purpose and passion. How do we do this? We continue putting in those volunteer hours, seeking someone or a group to serve with some segment of our time. We continue learning more about brain health and fitness to promote education and awareness in our community. We continue telling our Pilot stories to encourage membership growth and service. We increase our personal Pick Me Ups for family caregivers and community service groups. We continue to support other non-profits with our time, energy and funds.

Our Pilot Founders believed in the unselfish giving of oneself to others, the joy of friendship and the hope that together we could make a difference. Since 1979, Oconee Pilots have made that difference and so, I challenge each of you to continue this worthy legacy and build high on the dream of friendship and service.

PROJECTS

Welcome to the new year of Pilot Projects. Our Division is excited to present our Plans of Works to the Club. We hope we have included enough variety so that everyone has an opportunity to participate at some level.

Remember, each time you volunteer at one of the Projects, they count toward volunteer hours

JEWELS OF JUNE

Our own Ms. Donna has been to the mountain (volcano), that is Mt. Rainier on Tuesday June 27th. Truly amazing views that pictures can't do justice. Picture is taken from viewing area on the way.

The Pilot International Convention began with the opening ceremony Wednesday evening June 28th, with full days Thursday thru Saturday concluding with the Installation of the 2023-2024 Pilot International Officers and banquet. Donna will be joining other Pilots on the Alaska cruise (July 3 - 9) following the PI Convention.
