Happy New Year,

I know we are all excited about our 16th Annual 5K Pilot Chase Run/Walk which will be held on February 1. It is a fun time to meet with community members and raise funds for our activities. **Tammy and Cathy** will let us know what jobs we have been assigned and when they need extra help. We are also looking forward to our BrainMinder™ Puppet presentations. It is always fun to present the puppet shows to our OCS Kindergarteners. If you have never been able to participate, I hope you will have time this year. Thank you to **Barbara Carter** for being our PIFF representative this year. She was very busy selling raffle tickets at our last meeting. A huge thank you to our **Projects Division** for the fun and games at our (January) Christmas Party. We appreciate your flexibility. The food and drinks were fantastic, and the games were enjoyed by all.

Stay Warm!

*Rosa Hall,
President*

Projects Division

Post Merry Christmas Party was so much fun and probably a little more relaxing than December. Thanks to everyone who attended and all the fun we had together as we played team-building games. The activity books have been delivered to Piedmont Athens Regional for some of the youngest patients in our area. During the next month, we will be getting our little furry friends out of storage for the BrainMinders Puppet Shows for our Oconee County Schools Kindergarten Students. There are six schools with approximately 500 students we will see. Our shows usually begin at 8:15/8:30 and we would love to have you. Look for an email soon with the schools and the schedule.

As we remember our Oconee Pilot, Jan Thomas, on her January birthday~~her family remembers her Pilot sisters by sharing with us her collection of Eby Orbs from our past Pilot Chase 5K races. Jan used these in a beautiful bowl to decorate her home. Her family allowed us to select one of her treasures to add to our collection in our own homes.
