Dear Pilots,

Thank you to all the puppeteers that volunteered their time to our OCS kindergarteners. It has been an exciting few weeks of stressing brain safety to so many children.

I hope lots of Pilots will be available on April 3 at 9:30 for the opening ceremony of the OCS All-Star Games. We will present a check for the awards. The children really appreciate our cheers and support.

Please come to the April 15 Pilot Planning session with lots of ideas of how we can help our community. Vickie is going to be a wonderful president and needs all our support. Remember, it doesn't matter which division you are in, we are all expected to work closely with each division and help carry out all the Plans of Work.

Our last Business Meeting of this Pilot year is May 6. Membership Division will serve as our hostesses. We will also have a report from the Standing Rules Committee.

Our final project of the year is packing food for the OARC Summer Food for Kids. Hope to see lots of Pilots supporting this worthy cause.

In Pilot friendship and service,

*Rosa Hall,
President*
